To Whom It May Concern:

On behalf of SickKids, I am extremely pleased to recommend an exciting opportunity to support the 3rd Annual Liam's Brigade Monster March which be held on Sunday October 30th 2016.

Liam's Brigade is inspired by Liam Cuttle, 5-year-old Stage IV Neuroblastoma warrior, honorary firefighter, and SickKids hero. In a fight to extinguish childhood cancer, proceeds from the event will support The James Fund at SickKids. For the approximately 80 children who like Liam are diagnosed with neuroblastoma each year in Canada, the hope for a cure cannot come soon enough. The James Fund supports neuroblastoma research at SickKids as well as Family Support and Patient Amenities to help children and families impacted by this terrible disease. Because of the support SickKids receives from Liam's Brigade and community initiatives like it, important advances have been made, young patients continue to receive the best care possible, and help is available to families when they need it most.

To ensure success, Liam's Brigade requires support from companies, organizations, and individuals who share their vision for improved child health. It is my hope that you will consider supporting this initiative. Your commitment will not only ensure that the event is a fundraising success, it will also make a real difference in the lives of children today and for generations to come.

Please direct donations to: Heather Anderson and Andrew Cuttle
Liam's Brigade
493 Trillium Drive
Oakville, ON L6K 1T1
